TO Educate . . . TO Enlighten . . . TO Enhance . . .

ON SUNDAYS IN ORDINARY TIME, the Old Testament reading is selected for the light it sheds on the day's Gospel.

Today, Ezekiel sees God lifting up the lowly tree and making the withered tree bloom. So in the second parable of today's Gospel, Jesus encourages us by promising that, as fragile seeds grow into an abundant harvest, and the tiny mustard seed into a hearty plant, so God will grow the kingdom from small beginnings to an instrument of salvation for all. But for those who do accept the kingdom, all is grace, and that grace is certain.

Saint Paul argues that our experience of God's trustworthiness thus far should make us a people of undaunted courage and unshakeable faith. But at the same time Paul warns that faith should also make us aware of our responsibility to do good.
