# Solemnity of the Most Holy Trinity

JUNE 11 ✦ 2017

## TREASURES FROM OUR TRADITION

**IT IS OFTEN HEARD** that today's observance is an "*idea feast*," and that it is somewhat difficult to grasp its meaning. Yet, even though the Trinity is at the heart of our faith, firmly declared in the Creed since the Council of Nicea in 325, we are used to having people shrug and say, "*Well, it's a mystery.*"

Perhaps it is more helpful to think of this as a "*relationship feast*," since it unveils our deepest identity. Dorothy Day was a great social reformer, pacifist, and ardent lover of the Trinity. When people told her that she would certainly be canonized one day (the process is indeed underway), she protested dismissively by remarking that people were raising a fuss just because she was not afraid to talk about God. She loved the Trinity, and treasured the traditional icon for the feast, also known as "**THE HOSPITALITY OF ABRAHAM**," depicting the three angelic beings seated at a table tilted toward the viewer and laden with bread and wine. For her, the Trinity revealed the heart of the Catholic life, three C's if you will: community, communication, and communion. That was not an "idea" for her, but what it means to be created in the image of the Triune God, Father, Son, and Holy Spirit.
