*Dear Christ Our Redeemer Parish,  
 Greetings from Nalweyo Uganda! I have been here teaching for over a month now and not a day goes by that I don't think about how blessed I am that you all have made this opportunity available to me. As this busy and exciting semester comes to a close I must take a moment to let you all know how thankful I really am.  
 The community here could not be more welcoming, from the faculty and staff to the students themselves. After only a few weeks here they have truly made me feel at home. I get such great joy from each and every lesson I get to teach. This semester I have been teaching primary classes Reading Comprehension as well as helping coach the soccer team. Next semester I will also be teaching the secondary students a course on public speaking. However, I'm sure I am learning just as much as I am teaching as every day I learn more about the people and the culture.  
 Thank you all so much for your support and prayers and know that I am praying for you all each day here in Nalweyo! Were it not for your support I never would have been able to have this incredible experience. May God bless you all.  
 Humbly Obligated,  
 Marcos Melecio-Zambrano*
