

Priscilla Circle Leadership

Have you enjoyed our Priscilla Circle gatherings this year? Have you been blessed by the fellowship, or maybe by meals brought to you and your family by your sisters in Christ? Would you like to participate in planning events, speakers, and gatherings for the coming year?

Priscilla Circle is planned entirely by women just like you. The idea and format of our group was conceived by women within our parish, and it is ours to shape as we would like. If you have just a little time each week to give, consider taking on a leadership role in Priscilla Circle for the coming 2016-2017 year.

If you're feeling called to serve and participate, or if you have ideas for our group, talk with Sarah or Yudy.

WHY "LIVING STONES?"

Stones are an odd object to liken ourselves to, but when God is in the picture, anything can happen. Like stones, we are all uniquely made; not one is the same. One unique stone does not make a very big impact, but when paired and stacked upon one another, they can make magnificent buildings. A stone worker takes a perfect stone and molds it to fit into the space that needs it. We are called to meet those who need help where they are in their situation. We conform our lives to Christ's Will. Christ is the Cornerstone, and we are the living stones. We are being molded and formed every day to be perfect in the Lord's eyes. All we have to do is to stay true to the Word of God. We are building the church upon the foundations that Priscilla helped build. We have big shoes to fill, and it's beautiful that we are formed by God every day, every moment.

WHO IS PRISCILLA?

...

- **Prisca and her husband Aquila were close friends and supporters of Paul, and as such were founding members of the Christian Church. Paul's letters record their long friendship, from first meeting to the bitter farewell not long before his execution.**
- **Prisca seems to have been the dominant partner in the marriage. She was strong-minded, fervent in her love for God and Jesus Christ, loyal to her husband- and something of a mover and shaker.**
- **She was trusted by Paul to manage the infant church he left behind, and she taught the gospel as Paul had done. Neither of them had met Jesus of Nazareth, but their faith was strong. Without them to teach and organize, the church might not have blossomed as soon as it did.**
